The Rite of Christian Initiation of Adults (RCIA) is a process that teaches and helps people become Catholics. The RCIA program usually begins in September and lasts for about 20 weeks. It covers the basics of the faith and leads up to new members entering the church at the Easter Vigil.

RCIA is for people who are not already members of the Catholic Church and want to learn more about Catholicism. It also helps current Catholics become better practicers of their faith. The program includes sessions on the Catholic faith, Church history, and its practices. Participants learn about the basic prayers and the importance of a consistent prayer life.

The RCIA class materials are designed to help and guide the participants as they go deeper in their understanding of the Catholic faith. These materials can be found online and in various formats, such as books, videos, and websites. The goal is to foster a solid understanding of Catholicism and to encourage the participants to become affiliated with the Catholic Church.
