The Ugly Duckling by Hans Christian Andersen is a classic children's picture book. It tells the story of a young duckling who is shunned by his brothers and sisters because he is not like them. However, he discovers that he is not ugly at all, but is actually a beautiful swan.

The story is retold in a new English children's picture book version by Sindiwe Magona and illustrated by Natalie Hinrichsen. This version is a wonderful introduction to the classic tale for young readers.

Everyone loves a great children's picture book, and The Ugly Duckling is at the top of the list. The story is simple enough for young children to understand, but also has deeper meaning that can be appreciated by adults.
